

VOLUNTHEROES IS BACK IN 2023!

A BGCPP original event will return this year. Show our Club Kids your superpowers and join us for some super-charged activities designed to highlight the value of literacy, healthy habits, STEM, arts, and more!

Corporate VoluntHEROes are invited to visit and connect with Club Kids, ages 5-13 during Spring Break and/or Summer Camp. You can choose from the list of sessions below – or customize a session of your own! You will then be paired with a group of Club members and their staff leader for an hour of fun.

Each session is designed to engage and excite volunteers and members alike. Activities are curated by our experienced Club staff to ensure that the FUNdamentals of learning and engagement take place for all involved!

Available VoluntHERO sessions:

- **Reading Hero:** Is reading your VoluntHERO superpower? **Promote the power of literacy** by reading along with a group of Club members, as well as play reading games and icebreakers.
- **STEM Hero:** You're a STEM hero if your superpowers are in Science, Technology, Engineering, or Math. **Enable the next generation of innovators** by joining Club Kids for technology and STEM-based activities.
- **Creative Arts Hero:** Is skill or appreciation for arts, crafts, and/or hobbies your superpower? **Foster creativity and individuality** by sharing it with our Club Kids. Join them for arts and crafts, music lessons, and hobbies sessions.
- **Health Hero:** If your interests lie in health, fitness, or nutrition, then you're a Health Hero! **Encourage Club members to build lifelong healthy habits** by joining them in fitness, wellness, or nutrition-based sessions.

Each session is one hour long. Please arrive 15 minutes before your session.

Participation in this event provides Club Kids with the tools, positive relationships and resources that enable **Great Futures!**

To Register: Complete and return the back of this form and a member of our team will reach out to coordinate volunteer dates, times and activities.

Thank you for supporting Paterson and Passaic youth!
